Updated policies:

Refund and Cancellation Policy

We employ an industry standard cancellation policy. Please read the following carefully, email or call the office with any questions before booking.

• Cancellations must be made 14 days prior to any trip, ****no refunds available within 14 days of any scheduled trip****

• Weather-related cancellations will have an opportunity to re-book for any NCOA offered trip up to one year from the original trip date. (Your guide will determine if inclement weather necessitates cancellation and email you 24-48 hours before the trip).

• Individuals may reschedule any trip, up to 5 days before the trip, through our office, by phone, or email, for no additional fee.

We suggest all customers get trip insurance, as we DO NOT offer refunds within 14 days of a scheduled trip. We are NOT affiliated with any trip insurance but you can Google your options online for trip insurance companies near you. Keep in mind most trip

insurance companies require the trip insurance be purchased a month prior to your trip for coverage.

VERY IMPORTANT: If you do not feel you would be able to reschedule in the event of a cancellation *we suggest you get trip insurance* as we **DO NOT offer refunds**. We are **NOT affiliated with any trip insurance** but you can google your options online for trip insurance companies near you. Keep in mind most trip insurance companies require the trip insurance be purchased a month to 14 days prior to your trip for coverage.

Rescheduling must be done with the guide/office via phone or email. If you are on a cancelled trip you are able to rebook to ANYTHING we offer! We also allow Spider Lily Trip guests (due to the nature of the lilies blooming one month a year and it's popularity) who are not able to rebook lily trips to rebook to next season lily trips or as mentioned above to anything we offer. You can rebook a cancelled trip once.
